

# A template for requesting STEM Ambassadors Climate Ambassadors

To request a STEM Ambassador you need to advertise an activity. To do this login (or register with) [www.stem.org.uk](http://www.stem.org.uk) and complete the “Advertise an activity” form using the information below.

## About your activity

### Activity Name

type in the box Climate Ambassador: presentation in followed by [lesson subject and title]

### What do you want the STEM Ambassadors to do?

Select STEM Presentation / Q&A

## Where will the activity take place?

You decide if the activity will be in person or online.

If you are requesting a STEM Ambassador to visit in person:

If you are registered as a teacher on [www.stem.org.uk](http://www.stem.org.uk), then clicking on “Use my organisation address” brings up your school address. If the address that appears is wrong, or the activity will be taking place in person but at a different location, add a new location by postcode.

If you are requesting a STEM Ambassador to visit virtually:

Click the box next to “Online” then enter the URL where the activity will take place (if known)

## Participating schools/organisations

Type the official name of your school into the box. A list of suggested schools will appear, select one from the list (check that the address is correct)

## When do you want the activity(s) to take place?

Select “This is a one-off activity”

### Expected dates of activity

Enter the expected date of the lesson you want the STEM Ambassador to support. Please note that it can take several weeks to find a suitable volunteer.

### Total duration of activities (hours)

Enter a number which reflects the duration of the lesson plus any additional prep you might want the STEM Ambassador to do
